

Check Valves

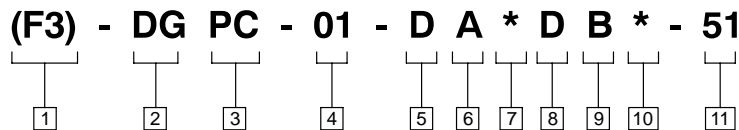

Pressure Operated Check Valve Module with Decompression Feature

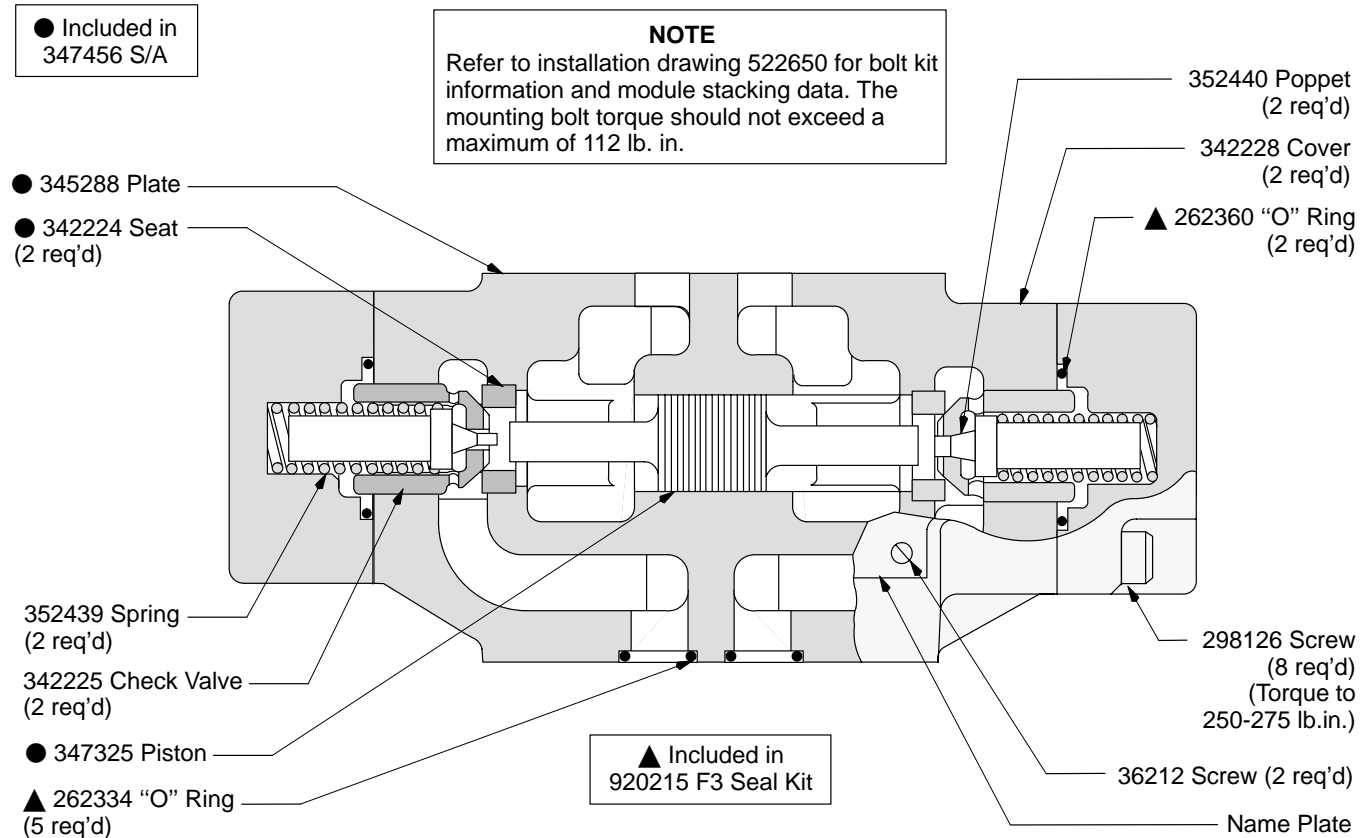

DGPC-06-DA*DB*-51

DGPC-01-DA*DB*-51

Model Code

1 Seals Seals for mineral oil and fire resistant fluids	4 Port Size 1/8 inch	8 Decompression Feature
2 Model Series Directional control gasket mounted	5 Decompression Feature	9 Check Valve Location Cylinder port 'B'
3 Model Series Pressure operated check module	6 Check Valve Location Cylinder port 'A'	10 Check Valve Cracking Pressure Cylinder port 'B' standard 30 PSI (Omit for standard)
	7 Check Valve Cracking Pressure Cylinder port 'A' standard 30 PSI (Omit for standard)	11 Design

Model Code

(F3) - DG PC - 06 - D A * D B * - 51
